Mission Statement

The Lāna‘i Community Health Center’s mission is to take care of the community of Lāna‘i. A 501c3 nonprofit organization, LCHC takes care of the community with a focus on physical, mental, emotional, intellectual and spiritual welfare and by enriching and empowering lives to help build healthy families in a supportive environment.

LCHC carries out its mission in three ways:

1. By directly providing health services (primary care, dental, and behavioral health) to the community.
2. By providing activities and services through partnerships with local organizations as well as the many off-island organizations reaching out to Lāna‘i by serving as coordinator, advocate, resource, initiator, and convener.
3. By working collaboratively to provide space for partners who can provide needed services for Lāna‘i.

LCHC serves individuals of all ages, ethnicity, gender, and residency – old timers, part-timers, and newcomers.
